

Harbour

Anna Tabbush

When you've crossed the stormy waters
Em D A G
Come, walk a-shore

Bring your sons and bring your daughters
Em A D
Wander no more

For our door is always open
 G A
And our hearth is always warm
 D A G
When you need a place to shelter
 G A
Bm
We're a harbour in the storm

There'll be time for rest and sleeping
Em D A G
Come, walk a-shore
 D A G
There'll be space for peace and healing
Em A D
Wander no more

For our door is always open
 G A
And our hearth is always warm
 D A G
When you need a place to shelter
 G A
Bm
We're a harbour in the storm

For in days of lesser fortune
Em D A G
Come, walk a-shore
 D A G
We may need a door to open
Em A D
Wander no more

For our door is always open
 G A
And our hearth is always warm
 D A G
When you need a place to shelter
 G A

We're a harbour in the storm

For our door is always open
